- Don't know if they are still going to NB
- Stayed up all night, going around from camps to police muster points.
- Lots more police around PH is a scare tactic.
- **13h00 to 13h07 to blow horns 7 min**
- **Source tip them off on the Infinity Convention Center.**
- Observed 60 cop cars in the parking lot
- They immediately were told to leave by someone in an unmarked vehicle.
- They believed they were followed all night
- He observed saw 3 bus load of cops arrive and get into the convention center.
- They observed lots of police arrive.
- They decided to go wake up everyone.
- The people that were woken started being, "bashed."
- When I went to that room (he must be talking about the "war room") and you guys were with other drivers, lawyers and accountants, he knew something was wrong.
- **The people in hotel rooms don't have control of shit. (appears to be division in "ranks")**
- They (Per [REDACTED] and him) are doing the movements and trying to help and they get shit on.
- Some people are floating while others are doing things, moving trucks in the middle of the night.
- Confirms they were the one jamming the airport, jamming up the 417.
- Asks for people to stop with the BS and the finger-pointing.
- Asking for the "leaders" to let the people to do the "street stuff."
- The good part is that he believes all the cops are still at the convention center.
- Ask people to stay peaceful.
